8th Biennial Golf Managers Association of New Zealand Conference

INNOVATE > CHANGE > SUCCESS 09-11 **OCTOBER 2018** QUEENSTOWN

The President and Board of Management of the Golf Managers Association of New Zealand extend a warm welcome to our Golf Club management friends in New Zealand and overseas and invite you to attend the 8th Biennial Conference, held from 9-11 October 2018 in Queenstown NZ, hosted by the Millennium Hotel Queenstown.

With an **"INNOVATE > CHANGE > SUCCESS"** theme we anticipate our speakers will provide a stimulating forum for discussion with ample time set aside to network amongst peers and experience the delights of Queenstown - the "ADVENTURE CAPITAL OF THE WORLD".

DO NOT MISS THIS EVENT. We have secured the services of a very experienced mix of local and international speakers to advise on how to meet the challenge set down by the conference theme.
